Child Name _____ Grade _____

Child Name _____ Grade _____

Child Name _____ Grade _____

Classroom donations money is used for classroom needs such as supplies, crayons, whiteboard markers, paper, glue sticks, etc. It is also used for extra projects in the classroom such as science, writing, math, and other classroom celebrations. It is used for everything consumable used during the 2017-2018 year.

Registration Grand Total

Grand Total \$ _____

Thank you for your donations. This one time donation is all the school will ask from you. The PTA will do 1 fundraiser during the school year which helps us purchase big items. This donation is for the extra things. We appreciate your willingness to help our school do the extra things that make school memorable.

Mrs. Dana Beckert

Teacher names will be available August 1st, on the day of regular school registration. We welcome early registration so it may help with your family time in the summer. All early registration from May 1-July 30, will be able to come in that day just to get a teacher name or may ask for one of the following ways after August 1, 2017. Also know that class lists are made the last week of May so early registration does not guarantee a teacher, as we do not accept teacher requests. Please fill out the Student Placement form for parent input.
