February 2018

Dedicated to learning, guided by caring.

Be a Leader

During the month of January students have tried to "Think Win-Win". We have encouraged students to think about others and find ways to solve conflicts so both parties can be happy. We recognized Mrs. Ramos, Mrs. Wirfs, and Mrs. Lamb for their abilities to make compromises, to help others, and to help everyone feel valued and appreciated. We also recognized the following student leaders: Kimbal McFerson, Emerie Peterson, Paytan Paxton, Sawyer Grover, Cooper Bartholomew, Luke Elder, Jacob Mayo, Irelynn Waycasy, Kaila Finlayson, Brooklyn Pugmire, and Junior Naulivou Lauaki. Our focus for February is to "seek first to understand and then to be understood". We are going to try to listen to others before making judgments or drawing conclusions.

February 12th, President's Day

There will be no school on Monday, February 19th, as it is President's Day.

Monthly Drills

Each month we hold a safety drill for students and staff members at Brookside. These drills include fire drills, lockout drills, earthquake drills, and lockdown drills. This month we will be having a lockout drill. Lockouts are called for when the threat of violence is identified outside the building. During this drill, staff members practice making sure all the doors are locked and secure. The students go about their business as usual but are not allowed to go outside. We will be having this drill on the 23rd of February at 2:30 and it should take less than five minutes.

Spring Picture Day

Spring picture day is February 22nd

1st-3rd Grade Choir Concert Date

There has been some confusion about when our 1st-3rd grade choir concert will be held. The original information sheet for the choir indicated the concert would be held on February 22nd and March 1st. Tami Evans is sorry for the error and wanted me to communicate out to the parents that the concert will be held on March 1st at 4:00 pm. If you have any questions please call the office for clarification. Thank you!

Heads Up -- Kindergarten Registration Day

On Wednesday, March 22, from 8:00 a.m. - 4:00 p.m., Brookside will hold a registration for students who will be entering Kindergarten the fall of 2018. Children who will be five years old on or before September 1, 2018, are eligible for kindergarten. Please let all friends and neighbors know about this registration day. We ask that parents please bring birth certificates, immunization records, and residency information with them. Thank you.

Box Top Week

This week is box top week at Brookside. The winning class will be receiving \$100 in scholastic bucks to buy books for their classroom library. This is awesome prize donated by our PTA. Please send in those box tops!
