2019 UVU Youth Science Camps

BIOLOGY: MOTHER NATURE'S MAGICAL MIMICRY TOUR

Discover how Mother Nature's inspiration can be used to solve some of the Earth's most vexing problems. Participate in hands-on STEM activities, which will help the students use their understanding of biology to create magical solutions to minimize human impact and protect Mother Earth.

\$95.00 (\$90.00 if you register by May 15!)

AGES 7-8	Mon - Fri	6/3 - 6/7	9am-12 noon
AGES 9-10	Mon - Fri	6/10 - 6/14	9am-12 noon
AGES 11-12	Mon - Fri	6/17 - 6/21	9am-12 noon

CHEMISTRY: LITTLE ALCHEMISTS

Learn how to make things bubble, fizz and change colors! Participate in hands-on experiments and demonstrations that explore polymers, acids and bases, electrochemistry. Learn exciting methods to test hypotheses and design new solutions.

\$95.00 (\$90.00 if you register by May 15!)

AGES 7-8	Mon - Fri	6/24 - 6/28	9am-12 noon
AGES 9-10	Mon - Fri	6/3 - 6/7	9am-12 noon
AGES 11-12	Mon - Fri	6/10 - 6/14	9am-12 noon

PHYSICS: ASTRONOMY CAMP

Jump into hands-on astronomy activities to learn about the wonders of the universe. Gain an understanding of the solar system, stars, galaxies, etc and enjoy a special planetarium show.

\$95.00 (\$90.00 if you register by May 15!)

AGES 7-8	Mon - Fri	6/10 - 6/14	9am-12 noon
AGES 9-10	Mon - Fri	6/17 - 6/21	9am-12 noon
AGES 11-12	Mon - Fri	6/24 - 6/28	9am-12 noon

PHYSICS: EXPLORING EVERYDAY FORCES

Examine the forces that drive nature and machines, electricity and magnets, light and sound. Enjoy hands-on exploration and develop the knowledge and concepts that make our world work.

\$95.00 (\$90.00 if you register by May 15!)

AGES 7-8	Mon - Fri	6/17 - 6/21	9am-12 noon
AGES 9-10	Mon - Fri	6/24 - 6/28	9am-12 noon
AGES 11-12	Mon - Fri	6/3 - 6/7	9am-12 noon

Get All 4 for only \$299.00!
