

Brookside Elementary

School Community Council

2020-2021

January 20, 2021

Welcome: Mallori, Dan, Victoria, Crissy, Dana, Kandice, Julie, Darla - missing Rachel and Amy

Minutes: Read and approved by Mallori and Dan

Public Comments: (5 minutes per person): none

Celebrations:

Planning Time Rotations: Letting students select their own choice between PE, Art, Library, and Music - students are loving it and it is reducing behavior concerns

Multiplication in the 5th Grade: World Series for the past 12+ weeks all three classes are performing with an 80% or better success rate.

Lunch Follow-up Discussion: Dana and Kandice met with the lunch ladies - district even brought in representations - threw out a few ideas - not enough workers but made a few changes to help speed up the process. Students need to focus on eating and not playing to ensure they are finished in time. Ultimately the students can stay for an extra couple of minutes to finish eating if needed. Keep eye open and give feedback if you see concerns.

NetSmartz: Showed what the teachers will be sharing this year in the form of a video instead of an in person assembly due to covid. There are also several lesson and resources for the teachers to deepen their knowledge and understanding of being safe in a digital world.

Reading Data: Share data from iReady and Dibels/Acadience and talked about the plan that teachers use to build and set goals to help their grade level, class, and individual students.

Trustland Plan Literacy Goal:

Review this year's goal - Did not meet goal because of school closure in the spring.

Draft next year's goal - discussed and made needed changes to literacy goal.
Shared out with council to double check throughout this next month.

Other: Sidewalk improvement grant was improved - over by the
brook/bridge. Should be in 2023-2024 year.

Reflections award ceremony is this week and we have two students
that went to council level and took second at region level.

Important Dates: Superintendent/SCC Meeting: March 24, 2021 @SHHS - 4 p.m. (Tentative)

Next Meeting: February 10, 2021

Meeting adjourned at:
