**COLLABORATE** to  
ensure  
**STUDENT SUCCESS.**

Nebo School District stakeholders  
**ENGAGE**, **EMPOWER**, and  
**COLLABORATE** to ensure **STUDENT  
SUCCESS**

## **Student Success:**

We focus on preparing all students to succeed in school and life.

## **Engage:**

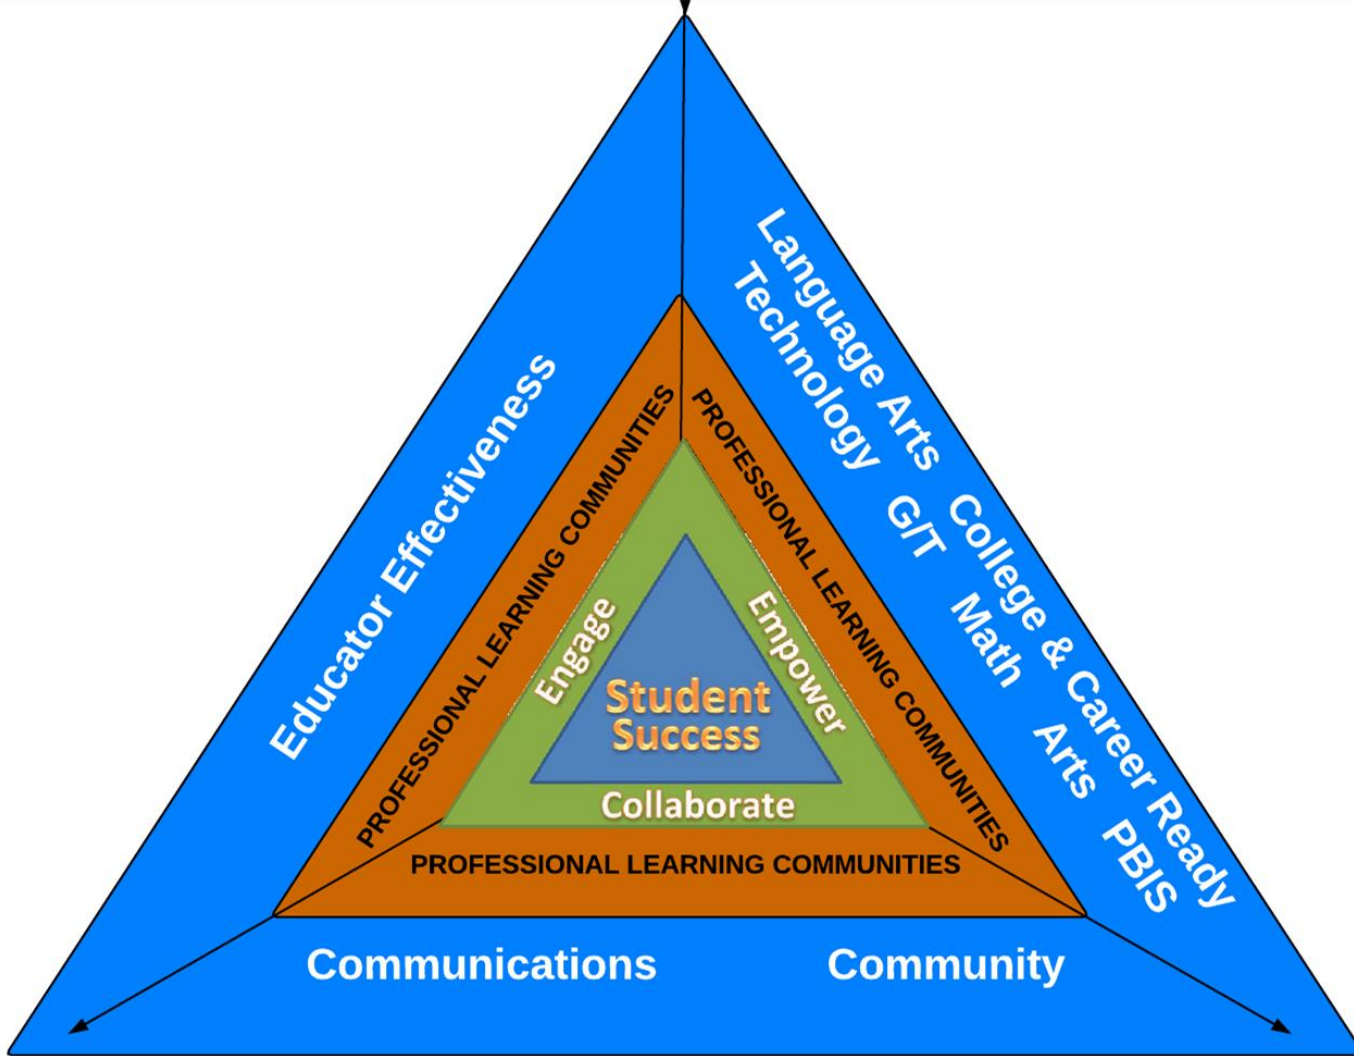

We prepare students for active participation in school and the global community.

## **Empower:**

We empower students to acquire and develop knowledge, skills, and talents.

## **Collaborate:**

We work together to promote safety, involvement, and student achievement.

# NEBO DISTRICT GOALS

## Language Arts

- At least **90%** of elementary students will read on grade level.
- At least **90%** of all students making a full year of academic progress in reading.
- At least **90%** of students will meet or exceed language arts proficiency levels.

## College & Career Ready

- At least **80%** of students will have completed one or more post secondary courses.
- At least **90%** of students will graduate from high school.
- At least **95%** of 9th graders will be on course for graduation with required subject credits earned.
- At least **90%** of students will meet or exceed science proficiency levels.

## Arts

- All elementary school teachers will integrate arts lessons with other core subject areas.

## Math

- At least **90%** of students will meet or exceed math proficiency levels.

## Technology

- Continuous network upgrades to support mobile 1:1 learning
- 1:1 implementation which will include
  - Ongoing professional development on SAMR principles
  - Digital learning coaches in every school to support teacher development
  - On-site tech support in every school

## Educator Effectiveness

- **100%** of teachers will be formatively and/or summatively evaluated every year. Summative evaluations will be every three years.
- **100%** of teachers will monitor student progress through Student Learning Objectives.

## Gifted & Talented

- Explore best practices and programs to serve our G/T students
- Increase teacher G/T Certifications

## Collaboration

- All subjects/grades are organized into professional learning communities, focusing on answering the four essential questions while utilizing team norms, "I can" statements, curriculum maps, common assessments, data analysis, and SMART goals.

## Communications & Community Relations

- **All** of schools will communicate effectively through email, e-newsletters/newsletters, e-brochures/brochures, website, ParentLink, and Facebook/Twitter.
- The community will readily be able to access information found clearly on district & school websites and distributable materials (electronic or hard copy).

## Student Support Services

- All schools have a system of student support with a team facilitating it, imbedding behavior and academic support
