Brookside School News

November 2018

Dedicated to learning, guided by caring.

Dear Parents and Families of Brookside,

Thank you for taking the time to attend our SEP conferences. Children learn best when the significant adults in their lives -- parents, teachers, and other family members -- work together to encourage and support them. Also, thank you to the PTA for providing dinner to our teachers that night. It was delicious!

Book Fair - November 12th-16th

We are looking forward to our first book fair of the year. Thank you to the PTA for managing and staffing our book fairs. The book fair will be held in room 19, down the 4th grade hallway. We will have posters throughout the school advertising the fun books that will be available and also the hours the book fair will be open. Thank you for supporting our book fair!

PTA Ribbon Week

We had a very successful Red Ribbon Week. The students pledged to be drug and bully free. Students had a great time dressing up each day and we appreciate Heather Child and the work of our PTA.

School Lunch

We appreciate efforts taken to keep a positive balance on all school lunch accounts. If you have any questions about student accounts or other lunch questions, please call Kimberly Whitney at 489-2830. Thank you!

Thanksgiving Break

There will be no school November 21st through 23rd. We hope you all have a wonderful Thanksgiving holiday.

Veteran's Day Assembly

In preparation for our Veteran's Day assembly on Nov. 12th, students are invited to bring a picture of a relative, friend, or neighbor who has served in the military with a short paragraph about that person. Please send a copy of the photograph just in case the picture gets torn or damaged. We have also asked that students wear red, white, and blue, if possible, for the assembly on November 12th. Thank you! If you have any questions, please call the school office.

Thank You To Our Support Staff

National Education Support Professionals Day, November 14th, honors the contributions of school support employees. These support professionals provide invaluable services and are essential partners in the education process. We appreciate the efforts of our support staff and we are thankful for all they do.

Reflections

Thank you to Rachel Cardenas and her committee for their help with Reflections this year. It was a great success. Students were able to display their individual talents and celebrate the arts. We congratulate all who participated.

Free Parent Education Night

On November 5th from 6:00 pm to 8:00 pm at Springville High School, Nebo School District is sponsoring a free parent education night. Collin Kartchner will be the guest speaker addressing screentime/device use and social media's impact on children's safety and well being.
