Brookside School News

November 2017

Dedicated to learning, guided by caring.

Dear Parents and Families of Brookside,

October was a great month! Thank you for taking the time to attend our SEP conferences. Children learn best when the significant adults in their lives -- parents, teachers, and other family members -- work together to encourage and support them. Also, thank you to those parents who volunteered and helped make our Halloween activities a success. Thank you for your support!

Be a Leader

This month students have been working on being proactive, not reactive. We honored three staff members during our leadership assembly for their proactive efforts; Mrs. Bradford, Mrs. Graves, and Mrs. Porter. We also honored the following students: Rett Gierisch, Cristal Lopez, Andrew Neth, Carter Bartholomew, Trey Richins, Hildy Mangum, Edie Wilde, Claire Baker, Olivia Milligan, James Rich, Jens Cutler, Andres Solorio, Mary Finlayson, and Sadie Child. This month's leadership focus is "starting with the end in mind". We are inviting students to work on planning ahead and setting goals.

Book Fair - November 13th-17th

We are looking forward to our first book fair of the year. Thank you to the PTA for managing and staffing our book fairs this year. If you would like to help, please use the link listed below and sign up. This year the book fair will be held on the stage in the auditorium. We will have posters throughout the school advertising the fun books that will be available and also the hours the book fair will be open. There will also be an online option for people to place orders if they would like. Thank you for supporting our book fair!

PTA Ribbon Week

We had a very successful Ribbon Week last week. The students celebrated and learned about being drug free, internet safety, pedestrian safety, and being a hero, not a bully. Students had a great time dressing up each day and we appreciate all the work of our PTA.

School Lunch

We appreciate efforts taken to keep a positive balance on all school lunch accounts. If you have any questions about student accounts or other lunch questions, please call Kimberly Whitney at 489-2830. Thank you!

Thanksgiving Break

There will be no school November 22nd through 24th. We hope you all have a wonderful Thanksgiving holiday.

Veteran's Day Assembly

In preparation for our Veteran's Day assembly on Nov. 10th, students are invited to bring a picture of a relative, friend, or neighbor who has served in the military with a short paragraph about that person. Please send a copy of the photograph just in case the picture gets torn or damaged. We have also asked that students wear red, white, and blue, if possible, for the assembly on November 10th. Thank you! If you have any questions, please call the school office.

Thank You To Our Support Staff

National Education Support Professionals Day honors the contributions of school support employees. These support professionals provide invaluable services and are essential partners in the education process. We appreciate the efforts of our support staff and we are thankful for all they do.
