

Don't Throw This Away!!!

Parents and Students,

What's **UP**? **TEACHER APPRECIATION WEEK** is coming **UP** March 26-30 and the PTA just wanted to give you a heads **UP** on our plans. So sit **UP**, listen **UP**, and be prepared to rise **UP** to the occasion.

We have something planned each day to lift **UP** the teacher's and staff's spirits and show them how much we appreciate them. Here is our schedule:

Monday, March 26: Wake UP!

It's the first day of Teacher Appreciation Week! So, Wake **UP** with a great attitude and make this day Awesome!

Tuesday, March 27: Round UP!

Starting today, we are going to round **UP** school supplies for our teachers! It's the end of the year and their supplies are getting low. Attached is a list of items needed for each grade level. If possible, please send any of the supplies you can with your child to the front office to help out our teachers! (If you forget today, continue to bring them in the rest of this week.)

Wednesday, March 28: What's UP?

Fill out the "What's **UP** with my teacher?" questionnaire in class!

Thursday, March 29: Pick-me UP!

It's almost the end of the week and your teachers are exhausted! Try to do something nice for them today for a little Pick-me **UP**!

Friday, March 30: Rise UP!

Spirit Day! Wear your Brookside Tiger shirt!

We are really looking forward to this week to honor our wonderful teachers and staff here at Brookside Elementary! Make sure you tell your teachers and the staff thank you for helping you live **UP** to your potential!

Thanks,

Brookside Elementary PTA
