Public Comments: (5 minutes per person): none

Prevention and Treatment of Abuse and Traumatic Events:

Parent night tentatively scheduled for March 6th at 5:30 right before the PTA meeting

A few concerns over sexual and swearing talk happening in upper grades - will address in leadership mtg for teacher to be sure to have a talk with students

PTA Board Members Needed For Next Year:

Rachel Cardenas - Pres

Karmen Diaz - Leg. V.P

Sarah Dellamas - treasurer

Still Need Pres Elect and sec.

Student Led SEP Conference Feedback:

some really enjoyed them - others felt it was more of a waste of time because they already know what their students can do - parents are as motivated to come to student led - students seemed excited to show off what they can do - some like the more personal aspect of the parent conference - maybe the third one should be more formal to get the final push through the end of year - put out the option of meeting only with those who teachers feel are most needed.

School Improvement Plan - Goal #1, #2, #3, and #4:

Reviewed and modified goals - see goals

Other:

More specific approach to the PTA fundraiser - possibly digital marquee - check in with district to see where we are with it - possibly ipad type cart? Books?

worried about the 6th grade in elementary - how can we get a bit of independence, more positive, more academic support, maybe rotation type stuff,
