April 19, 2023

Welcome - Dan

Minutes - Read by Angela, minutes were approved

Celebrations - End of the year is upon us! ESSER has been amazing! Kids love school! Jen - new principal - has been a fabulous addition to Brookside: responsive, involved, super capable!
Feminine Hygiene products - stocked.

Superintendent Meeting Review - Emily - fundraisers have to be done by children (they can't sell stuff or manning a fundraiser -adult driven), to offset - they upped how much they are allowed to spend/get from school for travel. A lot of talk from legislature sessions. All day Kindergarten - 45 New Kindergarten teachers. Jen discussed our class make-up now (Ann and Angela full day, Tara Green half day in morning probably). One bill that passed - if an activity goes against a student's conscience - teachers will need to contact parents to verify that is against their character. This isn't expected to be a big deal in Elementary; more so in Secondary.
