

BROOKSIDE ELEMENTARY

OUR MISSION

At Brookside Elementary our mission is to create a dynamic educational environment that fosters proficient literacy skills, inspires excellence, and cultivates a genuine love of learning for our students, faculty, staff, and community.

OUR VISION

We will provide each student with proficient literacy skills through data driven instruction, learning opportunities, and educational environments which promote classroom success, personal excellence, and responsible citizenship.

OUR VALUES

Academic Growth

- We value explicit teaching that cognitively engages students in their own learning.

Relationships

- We value intentional and positive connections with parents, students, faculty, and community.

Well-Being

- We value coping strategies and behavior skills that foster a safe learning environment for students and faculty and their social/emotional well-being.

Growth Mindset

- We value perseverance and resilience by not giving up.
