Brookside School News

February 2021

Dedicated to learning, guided by caring.

Dear Parents and Families of Brookside,

With the third term well under way, we just wanted to thank everyone for the continued support we feel here at Brookside. We are so grateful to be in school, face to face.

Valentine's Day

Students will be celebrating Valentine's Day on Friday, February 12th. Students are welcome to bring Valentine cards to their classmates to share. Teachers will have students sanitize and/or wash their hands before handing out their Valentines. Students will be encouraged to bring their Valentines home before opening them. Thank you for your support as we continue to navigate these different circumstances.

February 15th, President's Day

There will be no school on Monday, February 15th, as it is President's Day.

PTA Fundraiser

This year our PTA will be sponsoring a read-a-thon as their fundraiser event. Students will be able to gather pledges of the number of minutes/pages spent reading or can collect flat donations. Flyers with additional information will be coming home on February 16th with more information.

Water Bottles

Just a reminder to make sure your student has a water bottle here at school. We are still unable to use the drinking fountains but students are able to fill up their water bottles from the sinks in the classroom.

Yearbook Pre-Sale

Now through February 28th, you can pre-order a Brookside 2021 yearbook. The discounted price is \$13 and will increase to \$15 on March 1st. To order, you can pay with check or cash in the office, or you can also pay by Venmo @BrooksidesspringvillePTA. Please include the student's name, grade, and teacher in the Venmo comment. A flyer with more information will be coming home soon. Thank you! If you have any questions, please contact our PTA president, Rachel Cardenas at 801-830-9826.

Digital Citizenship Resources

Each year students receive digital citizenship instruction from the state approved provider, NetSmartz. They have a monthly parent newsletter that offers some timely tips that you can use at home. Each month there is a short video, easy tips, simple application techniques, conversation starters, and fun challenges. You can see each theme of the month by visiting their website, <https://www.utahnetsmartz.org/timelytip>.

Virtual Love and Logic Parenting Class

Nebo School District is offering a virtual Love and Logic parenting class. It will be held over Zoom on Tuesdays from 6:00-7:30 pm. The dates are March 9th, 16th and 23rd. The training is free and manuals are \$12. To sign up, email aubree.judkins@nebo.edu with your name, the school your student attends and the email address you'd like the Zoom link sent to. The meeting ID and password will be emailed to you a few days before the class. Additional information can be found on the school's webpage.

Thank you!

Thank you to everyone who helped with our SEP dinner in January. The teachers appreciated all efforts!
