Brookside School News

March 2022

Dedicated to learning, guided by caring.

Dear Brookside Families,

The month of March is a time of transitioning from the many winter activities into the anticipation of spring. As we hope for warmer weather, we want to keep our students focused on continuing to strive to do their best. I appreciate all of the effort you put in at home to ensure this carries over into their school day, as it impacts their academic standing. Thank you to all of our students, staff, and families for your participation and continuous support.

Student Council Fundraiser

Thank you for supporting our "Pack the Piggie" fundraising event last week. It was very successful. Thank you to our student council for providing this opportunity.

March 9th -- No School

There will be no school on Wednesday, March 9th. Teachers will be attending professional development meetings throughout the district that day. Thank you!

Student Led SEP Conferences, March 17th

We are excited to share with you that our SEP conferences in March will be Student Led Conferences. Student Led Conferences provide opportunities for students to share with parents their knowledge and understanding of essential learning outcomes specific to their grade level by completing learning activities. These conferences will also help students evaluate their performance on key standards, and in turn, accept additional responsibility for their learning. Please watch for information from your student's teacher with specific information about scheduling your conference.

No School, March 18th

Friday, March 18th, is a parent/teacher conference comp day. There will be no school on that day.

Teacher Appreciation Week

Teacher appreciation week will be the last week of this month, March 28th through April 1st. Thank you to all our teachers who work tirelessly each day to provide wonderful learning opportunities for our students. Brookside teachers are amazing and this is a great opportunity to thank them for all they do! Also, thank you to our PTA and all their support!

Spring Pictures

Spring picture day will be Wednesday, March 16th. Please watch for picture information sheets to be sent home with students.
