Introduction of Members: Completed

Orientation of School Community Council Responsibilities:

The School Community Council will provide input in the following areas:

1. Participate in the development of a School Land Trust plan and budget
2. Advise the school administration on local school issues
3. Develop a child access routing plan
4. Make recommendations regarding school safety issues and safe technology usage and digital citizenship
5. Serve as the Building Needs Committee
6. Provide an opportunity for issues of concern in the community to be presented to the school administration
7. Review state testing data as needed
8. Develop and incorporate safety principles at the school and hold at least an annual discussion with the school's principal and district administration regarding safety principles at the school and district level.
9. Review and vote on Reading Achievement Plan
10. Make recommendations regarding issues at the school such as school programs, ideas/suggestions regarding students, etc.

Notes on Responsibilities: Questions about the Building Needs Committee and how we can look at other funds other than Trustlands to help at the school.

Training Video:

1. Training ([PowerPoint](#))

Notes: Jen talked about how great our District is and how we feel about our students and teachers in the District! We focus on the one.

Election of Council Chairs:

Council Chair: Cason Acor

Council Vice Chair: Catherine Sanders

Communication with Community:

- Member Contact Information
- Information will be communicated through the school website.

Notes: Phone numbers added to the SCC contact info sheet.

Items from Ms. Grant:

Notes: No extra notes from Ms. Grant

Other Items from Council Members:

Notes: Emily is wondering about other ways to use our technicians at school, specifically for budgets and pay for our technicians in the different ways to use them. She would like to find a way to get them more pay.

Jen showed the pay scale for how technicians are paid. Emily is hoping to use Trustlands money to supplement the technicians pay so they get paid their hourly rate for all of their work day. Emily is planning on going to the district to discuss this.
